

SWA Workers' Compensation Department CLINIC LISTING

Revision Date: 1/6/20

IMPORTANT NOTE: If you visit a facility listed below that is indicated as "after hours", you MUST follow-up with a designated clinic on this list within 24hours. If the injury occurs on Friday, Saturday or Sunday, you must follow-up with a designated clinic no later than the following Monday. Failure to follow-up with a designated clinic within the timeframe specified may affect your workers' compensation wage replacement benefits. If you are injured while on the job at an international location, please seek treatment at the nearest medical facility and contact the Workers' Compensation Team at 214-792-6417 as soon as possible for additional information. Upon your return to the states, you will be required to follow-up with a Company Designated Clinic.

SWA Workers' Compensation Department CLINIC LISTING

Revision Date: 1/6/20

IMPORTANT NOTE: If you visit a facility listed below that is indicated as "after hours", you **MUST** follow-up with a designated clinic on this list within 24hours. If the injury occurs on Friday, Saturday or Sunday, you must follow-up with a designated clinic no later than the following Monday. Failure to follow-up with a designated clinic within the timeframe specified may affect your workers' compensation wage replacement benefits. If you are injured while on the job at an international location, please seek treatment at the nearest medical facility and contact the Workers' Compensation Team at 214-792-6417 as soon as possible for additional information. Upon your return to the states, you will be required to follow-up with a Company Designated Clinic.
